Bonitas Medical Fund

Alert

2026 Increases

2026 New Option / Rename of Existing Option

- **BonCore**

- This is a digitally enabled hospital option that includes day-to-day funding for GP consultations.
- This plan is being launched at a monthly contribution rate of R1,275 for the main member, with each dependant also paying R1,275 per month.

- **Primary Select has been renamed BonPrime**

- This option has transitioned from a traditional Efficiency Discounted Option (EDO) benefit structure to a New Generation Medical Savings Account option.
- The option will boast a 16% Medical Savings Account, while maintaining the existing hospital network structure.

2026 Benefit Changes

Key Benefit Enhancements:

- **Female Health Programme:**
 - Introducing an additional benefit of R1,100 for antenatal classes on Primary, BonPrime, and BonFit Options.
- **Synagis cover for pre-term babies**
 - Synagis is a preventative treatment for serious RSV-related lung disease in pre-term infants.
 - This will be covered across all options excluding BonCap.
- **Contraceptive Benefits**
 - Benefit to include the Bonitas Pharmacy Network, which will assist in the administration and dispensing of contraceptive injectables on Standard Select, BonPrime, Hospital Standard, BonEssential and BonEssential Select options.
- **Back and Neck Programme**
 - In 2026 this benefit will include shoulder and knee pain treatment on all options except BonCap option.
- **Hospital Network update**
 - The current Bonitas Hospital Network will remain in place until the end of 2025.
 - The updated networks for 2026 will be announced October 2025 and will impact various options.

2026 Benefit Changes continue

Key Benefit Enhancements continued:

- **Changes to access Benefit Booster**
 - The previous tiered structure has been removed.
 - An online mental health assessment is required to unlock the Benefit Booster as well as completing a wellness screening via the preferred partner channels.
 - The Benefit Booster on Primary and BonPrime options increased by 5.3% limited to R4,000 in 2026.
- **Mental health consultation benefit has been adjusted**
 - Primary: R9,780
 - BonSave: R15,440
 - BonPrime: Paid from Savings
- **Chronic and Disease management**
 - Benign Prostate Hyperplasia has been added as a chronic condition on BonComprehensive.
 - Diabetes insulin pump benefit will be available once every 5 years.
 - 1 Continuous glucose monitor and consumables benefit will be available annually.
 - Chronic and acute medicine formularies have been adjusted per option.

2026 Benefit Changes continue

- **Dental and periodontal enhancements**

- BonSave: A new in-hospital benefit subjected to pre-authorisation and managed care protocols.
- BonPrime and Primary: Access to the periodontal programme to support gum health.
- BonComprehensive, BonClassic, Standard, Standard Select, BonComplete, BonSave, Bonfit: Periodontal examination now limited to once every 12 months.
- Primary, BonPrime, BonCap: Cover for dentures removed.

- **Oncology and Specialised radiology realignment**

- Oncology benefits will now range from PMB only cover on entry level options, to R448,200 for non-PMB cancers on BonComprehensive.
- Specialized radiology co-payment has been increased to R2,800 per scan on BonStart Plus and BonFit.

- **Other enhancements**

- Alternatives to hospital benefits now range from R17,340 to R21,750 across all options.
- Take home medicine have been increased to R470 per hospital event on BonStart, BonStart Plus and BonFit.
