Discovery Health Rate is the medical scheme rate as long as you have funds available. **Cost** is the full amount of the claim as long as you have funds available.

When you make a claim that is qualifies for payment, the Scheme will use the money available in your Medical Savings Account (MSA) to pay for it. Your MSA is a combination of your annual MSA allocation, which is the amount of money you receive at the start of each year, and your accumulated MSA, which is the money that you didn't spend in previous years and that has carried over to the current year.

Please complete this if you have selected the KeyCare Plus, KeyCare Start or KeyCare Start Regional Plan

- For KeyCare Plus, please select a GP on the KeyCare GP Network.

You will be called the principal member or main member in our future communications to you.

10.3. *Acting for others*

You confirm you have the right to act for others.

By signing this document, you confirm that:

10.4. *Giving and getting information*

To consider your application for membership, the Scheme must learn more about you and those you apply for.

It is important that you tell us about any medical condition, symptom or illness relating to you or those you apply for, even if you do not consider it relevant to your application. We may ask those you apply for who are 18 or older for more information about themselves. All the applicants still have to disclose all relevant information as asked for above.

Your legal address

The Scheme or Administrator will send documents to you at the address you indicated as the communication channel you prefer to be contacted on. If we need to send you any legal notices or summonses, our legal team will serve these at the physical address you have given, or at any other address you have given us. It is your responsibility to make sure we have the correct address for you.

The Scheme and Administrator may record telephone calls.

The Scheme and Administrator may record telephone conversations with you and with those you apply for.

The recordings and all information we get during the recordings will be processed and kept as required by law.

The Scheme and Administrator may get information about you from other relevant sources

The Scheme and Administrator may (at any time and on an ongoing basis) get your personal information from other relevant sources, including medical practitioners, contracted service providers, financial advisers, credit bureaus or industry regulatory bodies ('relevant sources'). They may process this information to consider your membership application, to conduct underwriting or risk assessments, to consider a claim for medical expenses, to profile and analyse risk or to investigate fraud, waste or abuse (including by medical practitioners, contracted service providers or financial advisers). We may (at any time and on an ongoing basis) verify with the relevant sources that your personal information is true, correct and complete.

You give your permission that the Scheme and Administrator may get any information that is relevant to your application from your

employer.

Tell the Scheme or Administrator immediately if your information changes

You, your employer or your financial adviser must tell the Scheme or Administrator in writing if any of the information you gave in your application for membership changes between the day you sign this document and the day your membership starts. This includes information about your health and the health of those you apply for. We need advance notice of any administrative changes such as cancellation of membership, as we do not accept backdated changes.

When the Scheme may cancel your memberships

The Scheme may cancel any membership if you and those you apply for:

- Do not give us information that later turns out to be relevant to this application.
- Give us any information that is not true, correct and complete.
- Do not tell us about any relevant changes (including about your health and the health of those you apply for) between the day you sign this document and the day cover starts.

Monitor for possible non-disclosure.

To exclude the possibility of non-disclosure of material information, for the first 12 months we will monitor membership in the following cases:

- a) Claims of new beneficiaries with less than 24 months' continuous medical scheme membership and with less than 90 days' break, immediately prior to date of application.
- b) When an application is made for membership or admission for a person who was not a beneficiary of a medical scheme for a period of at least 90 days before the date of application.

In accordance with the Medical Schemes Act, we ask you to make sure that you disclose true and complete information to the Scheme. It is always better to disclose too much than too little.

Giving false information may lead to criminal charges being brought against you. You will have to pay any amount owing to the Scheme as a result of your membership being cancelled for this reason.

10.5. About becoming a member

The Scheme might not pay for certain expenses immediately after you become a member

The Scheme may have waiting periods that apply in certain circumstances. This means there may be a set time period before the Scheme starts paying for any general or specific medical conditions. We will let you know if any waiting periods apply. Please speak to your financial adviser or the Administrator about any waiting periods that apply to your membership and the memberships of those you apply for.

Resign from current medical schemes when accepted

It is illegal to be a member of more than one medical scheme at the same time. You and those you apply for must resign from your current medical schemes when you receive notice from the Scheme by letter, email or SMS telling you that you and those you apply for have been accepted.

You must make sure contributions are paid on time

As the main member of the Scheme, you are responsible for making sure that your contributions and the contributions of those you apply for are paid on time every month to avoid suspension of benefits. The Scheme has the right to change monthly contributions and benefits from time to time with prior notification.

10.6. Repaying money owed to the Scheme

The Scheme has the right to collect from you any amount that you owe at any time. We will notify you if there is any amount that you owe to the Scheme.

You must repay any medical savings owing if you leave the Scheme

When you become a member, depending on the plan you choose, you may have money available in advance to use for medical expenses during the year. This money is allocated to an account called the 'Medical Savings Account'. If you leave the Scheme before the year ends, you must repay the portion of medical savings you have used that is more than you have paid back to the Scheme over the year.

By signing this form, you agree that any money you owe to the Scheme may be deducted from any future claim payment amounts that are due to be paid to you. You will be able to identify the debit order for the money owing to the Scheme on your bank statement by the reference number 'DISCSETTLE'.
