BONITAS MEDICAL FUND SAVINGS REFUND

Broker Code: AON001M17

Please be advised that Bonitas Medical Fund is retaining a savings credit balance in your Personal Medical Savings Account. In terms of Section 10 of the Medical Schemes Act (MSA) 131 of 1998, please note the following:

- If you terminate your membership with Bonitas Medical Fund and join a medical scheme with a savings account, the full amount available in your savings account will be transferred to your new medical scheme in terms of the MSA. This will take place after a waiting period of 4 months and payable in the 5th month.
- If you do not join another medical scheme or remain active on a Bonitas Medical Fund non-savings option, or if you have joined another medical scheme on a non-savings option, the full balance in your savings account will be paid to you.

This will take place after a waiting period of four (4) months after the termination of membership or option change has been processed. This is to allow for any outstanding / late claims to be processed before savings are refunded to the member.

Disclaimer: Savings refund is subject to availability of funds after all debt is settled on claims and contributions.

Please complete the form and send it back with the below supporting documents to savings@bonitas.co.za to ensure that all refunds due to you are processed successfully.
