13.2 FEDHEALTH SAVINGS TERMS & CONDITIONS

These are the terms and conditions that will apply to the activation and use of your Fedhealth Savings, which is available to all active Members of the Scheme who are on the flexi**FED** range.

The maximum, interest free, loan amount that is available in your Fedhealth Savings, has been pre-determined by the Scheme in line with your selected benefit option and family size or composition. You can decide how much of the total amount available in your Fedhealth Savings you choose to activate, at any time during the benefit year, also known as the Fedhealth Backup Savings. The maximum repayment period for the amount activated will be 12 months. Should you choose to select the Savings Plan repayment amount, a pre-determined amount will be activated. Please consult the Scheme brochure.

General Provisions

a) The Fedhealth Savings is available annually as per the Scheme benefit year, which runs from 1 January to 31 December. Only Fedhealth Backup Savings Plan can be accessed any time of the year.
b) The Fedhealth Savings will be prorated for a member joining the Scheme during the benefit year unless predetermined rules are defined for a Participating Paypoint.
c) The minimum amount which may be activated from the Fedhealth Savings is R600.

Eligibility Criteria

a) The Fedhealth Savings is available to all members on options which offer this benefit. Members automatically accept the terms and conditions upon joining a flexi**FED** option.
b) To qualify for the Fedhealth Savings Benefit the member must be in good standing with the Scheme and over the age of 18 years.
c) Suspended and terminated members will not be allowed to activate any amounts from their Fedhealth Savings, nor will suspended members be able to select the Fedhealth Savings Plan.
d) The legal guardian of a member younger than 18 years of age can apply for the benefit on behalf of the minor member.
e) The Fedhealth Savings is only available to active beneficiaries of the Scheme.

Fedhealth Savings Conditions

a) When a member joins a flexi**FED** option they automatically accept the terms and conditions for Fedhealth Savings.
b) The Fedhealth Savings is provided by the Scheme, in terms of the Scheme Rules, more particularly Rule 19.13 (which empowers the Board to grant repayable loans to members) and Section 30 (b) of the Medical Schemes Act 131 of 1998.
c) The loan amount in the Fedhealth Savings will only be available up to a maximum as specified on the applicable option or company rule for a Participating Paypoint.
d) The loan will not attract any interest (i.e. it will be an interest free loan).
e) Any portion of the Fedhealth Savings not activated during a benefit year will not carry over to the next year.
f) The maximum loan amount available in the Fedhealth Savings may only be utilised once during a benefit year. Repayment of the loan will not result in the loan becoming available again. (i.e. the Fedhealth Savings facility will not be based on a revolving credit basis).
g) The loan is **only** activated once the member instructs the Scheme to activate an amount from the Fedhealth Savings.

Fedhealth Savings Activation

a) The member activates the Fedhealth Savings Benefit by utilising the various platforms available to members. When a member selects the Fedhealth Savings Plan, the annual pre-determined amount will be automatically activated on the 1st January annually.
b) Subject to the provisions under General Provisions above, members on the Fedhealth Backup Savings Plan are not restricted in terms of the number of activations in a benefit year.
c) Any amount held in the Fedhealth Savings account will not earn any interest.
d) A five (5) day cooling off period will be allowed for the purpose of cancelling the activation.

Fedhealth Savings Utilisation

a) The amount activated can only be accessed by submitting a valid claim to the Scheme.
b) The amount available will **only** be utilised once the member's Medical Savings Account has been exhausted.
c) All payments made for the benefit of the member or the member's dependants will only be for the funding of relevant healthcare services and will be made directly by the Scheme to the healthcare provider, medical facility or refunded to the member.
d) The member and his/her dependants will have access to the amount available during any waiting periods (if applicable).
e) Any amount left over at year end will carry over in the following year. This amount will not earn any interest.

Repayment of the Activated amount

a) Repayments of the loan/s are in arrears and will commence on the debit order date selected following an instruction by the member to activate an amount from the Fedhealth Savings before the tenth (10th) of the month. Any transfers after the tenth (10th) will become due in the following month.
b) If the Fedhealth Savings Plan is selected during a benefit year, the pre-determined activation will be pro-rated to ensure repayments are completed by the end of January of the following year (applicable to new members only).
c) Repayment of the loan payment by debit order is compulsory, therefore bank details must be provided, refer to section 7 of the applicaiton form.
d) The debit order deduction will be done on the selected day of the month except where it falls on a public holiday - in which case it will be collected on the day before or after, depending on the circumstances .
e) Each and every loan activated must be repaid over a maximum 12 month period. The repayment term for that loan cannot be amended after the event.
f) You may select a repayment period less than 12 months.
g) Your debit order repayment amount will be adjusted with any subsequent loan activations. The Fedhealth Savings Plan collection will remain the same, on condition that the previous year's instalment is fully paid up and no additional funds are accessed or activated during the year.
h) A single debit order will be deducted from the member's account for contributions as well as the Fedhealth Savings, with the following reference: FDHSUBVLT<member number>, unless a member belongs to a Non-Participating Paypoint Group that only pays for contributions and not the Fedhealth Savings instalment. In this case, a separate debit order deduction will occur with the following reference: FDHVLT<member number>.
i) The member may make additional repayments at any time, but it will not reduce the monthly instalment; only the period of indebtedness.
j) The member will receive a monthly statement reflecting the total Fedhealth Savings Benefit, Fedhealth Savings Benefit used and Fedhealth Savings Benefit available.
k) The statement will also reflect the detail of the Fedhealth Savings Benefit used and repayments thereof.
l) If a member belongs to a Participating Paypoint Group, the repayment will be collected from the Participating Paypoint Group. The member still needs to provide their banking details for collection to ensure continued collection if the member no longer belongs to the Participating Paypoint Group.
m) The member remains ultimately responsible for the repayment of the loan.

Dependant Termination

a) If a dependant is terminated off the membership, the amount available in the Fedhealth Savings will be recalculated according to the new family size and composition.
b) If, at the time of termination of the dependant, the member has activated an amount greater than the recalculated Fedhealth Savings amount, no further activations will be allowed, however the member will still be required to repay all amounts activated.
c) If the member has not utilised more than the recalculated Fedhealth Saings Benefit, the recalculated Fedhealth Savings Benefit will be allocated as the new limit. The new available balance will be the recalculated Benefit minus the amounts activated during the benefit year.

Option Change during the Benefit Year

a) Where there is an option upgrade that takes place during the benefit year, to an option which also offers the Fedhealth Savings Benefit, the Benefit will be recalculated according to the new benefit option.
b) If a member downgrades to an option with a lower Benefit available and at the time of downgrading the member has activated an amount greater than the lower Benefit, no further transfers will be allowed, however the member will still be required to repay all amounts activated.
c) If a member downgrades to an option with a lower Benefit available and at the time of downgrading the member has not utilised more than the lower Benefit, the lower Benefit will become the member's new limit. The new available balance will be the lower Benefit minus any amounts during the benefit year.
d) If the member moves to a Fedhealth option where the Benefit is not available, the member will be required to still repay the utilised amount for the remainder of the repayment period. Any unused credits will be offset with any debt outstanding or refunded to the member on request.

Repayment on Termination

a) Any outstanding loan amount owed by the member on termination of membership will be offset against any credit balances (including Fedhealth Savings balances) due to the member.
b) Any remaining loan balance outstanding must be repaid to the Scheme by the first (1st) of the month following termination.
c) Any amount left after all debt has been settled, will be refunded to the member.
