

Aon Human Capital Invitation to the Personal Health Pathways and Personal Health Fund Webinar

Dear Valued Client,

Get additional out-of-hospital benefits

By registering on Personal Health Pathways and completing best actions, you could unlock extra benefits to cover your out-of-hospital medical expenses.

What is Personal Health Pathways and Personal Health Fund?

The Personal Health Fund provides you with additional out-of-hospital benefits when you activate Personal Health Pathways on your Discovery mobile app. Once activated, you will receive personalised 'next best actions' to complete. At any time, you will have two health actions and one exercise action available. As you complete each action, a rand value is added to your Personal Health Fund, giving you extra benefits to cover out-of-hospital medical expenses. Each member on your membership, who is 18 years or older, must activate their own Personal Health Pathway.

Join the webinar to get better insights on what the benefit is and how to activate it.

Date: 22 April 2026
