

Claim Form

Important note

Please complete, sign and return the Claim Form to: **claims@sanlamgap.com**

- 1 Please note that this is not an automatic process, and you will be required to submit a separate claim form to the claim that has been submitted to your Medical Scheme.
 - 2 Fully completed and signed claim form. Ensure all required fields are filled in and signatures are provided where indicated.
 - 3 Copy of the doctor's account(s). This should detail the services rendered and the costs charged.
 - 4 Detailed hospital account. This is especially important for in-hospital procedures. Must include admission/discharge dates and ICD10 codes.
 - 5 Medical scheme claims transaction history. This must show how the medical scheme processed and paid the claim.
 - 6 Authorisation confirmation from your medical scheme or proof that the procedure was authorised by your Medical Scheme.
 - 7 Proof of bank details. If your claim payment bank account differs from your debit order account, include a bank statement.
 - 8 Dr/Provider Account/Statement. Statement of account from the provider or Dr where related to in-hospital procedures.
 - 9 Proof of Payment (if applicable). If you've already paid the doctor, include a receipt or proof of payment.
 - 10 Oncology Diagnosis. Diagnostic report outlining stage of cancer.
 - 11 You have six months from the last day that you were hospitalised to submit your claim and relevant supporting documentation. Any Claim received for the first time after the six month period has expired, may not be honoured.
 - 12 Claims paid from savings accounts are not eligible for gap cover reimbursement unless these are for claims from the Accidental Casualty, Casualty Illness and Mediclinic Specialist benefit.
 - 13 Out-of-hospital procedures may not be processed if not related to any ICD10 code, procedure code or valid gap claim per the available benefit and as per the policy.
 - 14 If you are completing waiting periods (3-month or 12-month per the policy) your claim may be rejected and a pre-existing questionnaire may need to be completed.
 - 15 If your incident is prior to your policy start date your claim will be rejected.
 - 16 You will only be able to claim for an eligible dependent if you are on a family policy.
 - 17 Your claim will be assessed according to your cover and plan type and in accordance with the Sanlam Gap benefit and policy guidelines.
 - 18 Please note that if you are a VAT registered vendor and the loss was incurred in furtherance of your enterprise, this insurance claim settlement could potentially create a liability to pay output VAT to SARS i.t.o. S8 (8) of the VAT Act.
 - 19 Claims are assessed on a line by line basis. Each line has a ICD code on your service provider's account that accumulates to the total amount charged. Your medical scheme must pay a portion of the cost per line from your hospital benefit in order for that claim line shortfall to be reviewed by your Gap cover.
 - 20 Claims flagged as Prescribed Minimum Benefit (PMB) may be investigated with your medical scheme or discussed with your service provider. PMBs are a set of defined benefits that medical schemes are required to cover by law. This means that as a medical scheme member, you shouldn't incur any out-of-pocket medical expenses related to a PMB.
- Processing of insurance information is done in accordance with applicable legislation, as well as our Privacy Policy which can be found in our Compliance and Trust Centre: www.centriq.co.za.
- 21 When submitting the Claim form, you will need to provide supporting documents as detailed below in the checklist. Claims can be emailed to **claims@sanlamgap.com**. Once received, your Claim will be processed. If there are documents outstanding, a request for these documents will be sent via email. Once all documents are received the claim will take 7 - 14 working days to assess. Please direct all queries to the Sanlam Gap Service Centre on **0861 111 167**.
