

EMPLOYEE HEALTH PROTECTION COVER

Introduction

Thank you for giving us the opportunity to look after your healthcare cover needs. Access to healthcare is an integral component of any employee's health and wellbeing. Current private healthcare solutions, like medical schemes, remain unaffordable for a large portion of the workforce.

You can have peace of mind with this specially designed Lancet Employee Health Plan. This plan enables you as a Lancet employee as well as your family members to gain access to cost-effective healthcare cover. The new EHP is designed to provide employees with structured health benefits that go beyond what is currently provisioned for under the occupational health and employee wellness program.

Corporate Support Services

At BHealthi we're committed to providing you with exceptional support and guidance throughout your healthcare journey. Our Member Support Team, led by a Corporate Health Manager (CHM) is dedicated to ensuring your experience with Lancet Employee Health Plan is seamless and hassle-free. Lancet employees will have additional dedicated communication channels such as WhatsApp and email, access to a range of digital self-service and healthcare functionalities on the website.

Partners & Underwriters

The Lancet Employee Health Plan (EHP) is brought to you through a strong partnership among key players dedicated to providing quality healthcare. This plan is part of the BHealthi Financial Services suite, managed by ABOVAX Group in collaboration with Momentum Health Solutions under the Momentum Health4Me program. The plan is underwritten by Momentum Metropolitan Life Limited, a licensed insurer and financial services provider.

About the Partners

BHealthi

BHealthi is a comprehensive financial services provider focused on innovative health funding solutions tailored for organizations and individuals. As part of the Abovax portfolio, BHealthi offers flexible, sustainable healthcare funding options that are adaptable to the unique needs of various companies and their workforces.

Abovax

As a South African-based, pan-African healthcare company, Abovax is dedicated to transforming healthcare across Africa through the exclusive administration platform. Through its extensive provider network and expertise, Abovax offers customized, integrated healthcare solutions that ensure affordable and accessible private healthcare for secure, healthy lifestyles. The administration services provided by Abovax

Momentum

Momentum Health Solutions: Momentum provides underwriting and administration through the Health4Me program, ensuring the cost-effective provision of both day-to-day benefits and coverage for major medical events.

By partnering with these organizations, the Lancet EHP ensures that employees have access to reliable, comprehensive healthcare that meets their specific needs.

About the Lancet Employee Health Plan:

The Lancet Employee Health Plan (EHP) is a customized healthcare solution created to meet the unique needs of Lancet employees and their families. Our mission is to make high-quality, affordable healthcare accessible to all, especially employees earning under R40,000 per month.

Through the premier Gold option, the EHP provides a wide range of essential health benefits, including day-to-day medical support, major medical coverage, and lifestyle and wellness resources. Our goal is to support the well-being of every employee with comprehensive, tailored care.

Who is eligible for this product offering?

Employees earning a basic salary above R16,000 per month may join BHealthi Plan on a self-funded basis

Employees earning R16,00 or below remain eligible for the company-funded subsidy. Employees are eligible for only one company subsidy.

Where an employee participates in either a medical aid or the BHealthi Plan, only one subsidy will apply.

Employees may not receive simultaneous subsidies for both medical aid and BHealthi cover.

PRIMARY – DAY TO DAY BENEFIT

BENEFITS

SERVICES

GP Benefit

- **Unlimited GP Visits:** Members can unlock unlimited GP visits at a Network GP via a consultation and pre-authorization from Hello Doctor.
- **3 GP Visits:** Members are entitled to 3 GP visits per year at a Network GP without requiring Hello Doctor pre-authorization.
- **Additional GP Visits:** For members registered on the Chronic, HIV, or Maternity benefit programs, 2 additional GP visits per program are available per year without pre-authorization.
- **Unlimited GP Consultations:** Members can engage in unlimited GP consultations through Hello Doctor.
- **Referral Services:** Consultations can include referrals for pathology and radiology according to applicable service lists.
- **Scripting Services:** Consultations also include unlimited scripting of Schedule 1 to Schedule 4 formulary-based medication, following the Network's acute medication formulary rules and protocols.

GP in Room Procedures

- **Minor medical procedures**, such as wound stitching and nebulization, can be performed during a Network GP consult.

Hello Doctor

- **Hello Doctor GP Consultations:** Members have access to unlimited GP consultations with a Hello Doctor GP.
- **Consultation Channels:** Hello Doctor consultations can be conducted via secure chat, phone call, or video (virtual) consultation.
- **Pathology Referrals:** Hello Doctor consultations include referrals for pathology services, in accordance with the applicable Health4Me pathology list.
- **Radiology Referrals:** Hello Doctor consultations include referrals for radiology services, in accordance with the applicable Health4Me radiology list.

Hello Doctor Scripting

- **Medication Scripting Services:** Hello Doctor consultations include unlimited scripting of Schedule 1 to Schedule 4 formulary-based medication, prescribed in line with the Network's acute medication formulary. All applicable rules and clinical protocols apply.

Acute Medication

- Provided in accordance with the Network prescribed acute medication formulary. Rules and protocols are applied.

PRIMARY – DAY TO DAY BENEFIT

BENEFITS

SERVICES

Specialist Benefit

- **Specialist Consultations:** Members are entitled to a maximum of 2 specialist consultations, each specialist consultation is limited to R1 425 per visit, with an annual maximum of R2 850 per member/family.
- **Referral and Pre-authorization:** Specialist consultations are subject to a referral from a Network GP and require pre-authorization.
- **Pathology and Radiology Referrals:** The specialist may refer the member for pathology and radiology services, in accordance with the applicable Health4Me pathology and radiology lists.
- **Medication Prescriptions:** The specialist may prescribe medication, subject to the applicable event limit.
- **Any shortfalls will be payable by the member.**

Maternity Benefit

- **Foetal Growth Scan:** Members are entitled to 1 foetal growth 2D scan per pregnancy.
- **Antenatal Pathology Tests:** Pathology tests linked to a Network GP visit and referred by the GP, according to the applicable our Network Provider pathology list.
- **Antenatal Vitamins:** Access to antenatal vitamins as per the Network prescribed acute medication formulary, following applicable rules and protocols.
- 1 Additional foetal growth 2D scan per member per pregnancy,
- Antenatal support (access to current and credible information on all topics related to parenthood) via Parent Sense.
- Support post-partum from a nurse/midwife at home with bathing, swaddling, latching and feeding.
- Nurse/midwife home visits on day 2 and week 2 after the birth of the baby.
- **Pre-Authorization Required:** Pre-authorization is required for maternity-related services.

HIV Benefit

- **Post-Exposure Prophylaxis (PEP):** PEP medication is provided in accordance with the Network prescribed HIV medication formulary, to prevent HIV infection following accidental exposure to infected blood or bodily fluids, or by any other means.
- **Antiretroviral Treatment (ART):** Antiretroviral medication is provided in accordance with the Network prescribed HIV medication formulary.
- **Pre-authorization:** Pre-authorization is required for HIV-related benefits.

PRIMARY – DAY TO DAY BENEFIT

BENEFITS

SERVICES

- **Protocols:** All optical services are provided in accordance with the Optical Network protocols and the approved Health4Me optometry list.

PRIMARY – DAY TO DAY BENEFIT

BENEFITS

SERVICES

Wellness Health Assessment

- 1 Health assessment (blood pressure test, cholesterol and blood sugar finger-prick tests, height, weight and waist circumference screening) can be done at any pharmacy clinic (for beneficiaries), not only at wellness days (which caters for employees only).

Flu Vaccination

- 1 Flu vaccination per member per year at any pharmacy clinic, preferably at a Dis-Chem, Clicks or MediRite pharmacy clinic.

Covid-19 Screening Test

- 1 COVID-19 screening test is covered per member per year, subject to a Hello Doctor, Network GP or specialist referral.
- The COVID-19 screening test can also be performed as part of a Network GP consultation or as part of a specialist consultation in rooms.

On-site Wellness days

- Basic health and wellness screening offered on site by qualified nurses.

Employee Assistance Programme

- Counselling and support services for adults, teenagers and children.
- Trauma and critical incidence counselling services.
- Legal assist, credit health and debt management services.
- Advice for road accident claims and injury on duty claims.
- Managerial support services.
- Telephonic counselling services and on-site trauma and critical incidence support services.

Multiply Engage

- Members have access to Multiply Engage for free. By doing the digital health and fitness assessment on the Momentum App, members gain immediate insights into their health and start earning rewards from day one. Multiply offers members rewards from a wide range of partners like Checkers, Nu Metro, Amazfit, Virgin Active, Zone Fitness and many more!

More4Me

- More4Me incentivises members through three rewards: R50 per year for digital engagement and completing a digital health assessment, a scratch card after completing their annual health assessment in person at a Momentum Wellness Day, and up to R80 per month based on their Healthy Heart Score, which they receive when doing an in-person health assessment at either a Momentum wellness day or a Dis-Chem, Clicks or MediRite pharmacy clinic. Members can choose to redeem their rewards as airtime, data, Shoprite and Checkers vouchers or Takealot vouchers.

ACCIDENT & EMERGENCY

BENEFITS

Accident and emergency cover

SERVICES

1. Accident cover:

- Casualty benefit up to R30 000 per event.
- In-hospital benefit up to R500 000 per event.

Covered at a private hospital for accidents that meet the qualifying criteria. An accident shall mean a medical emergency that is an external, unexpected event that is not traceable, directly or indirectly, to a member's state of mental or physical health prior to the event).

2. Emergency (minor or major emergencies):

- Casualty benefit up to R30 000 per event.
- In-hospital benefit up to R250 000 per event.

Covered at a private hospital for accidents that meet the qualifying criteria. An accident shall mean a medical emergency that is an external, unexpected event that is not traceable, directly or indirectly, to a member's state of mental or physical health prior to the event.

3. Emergency transportation cover

- Emergency transportation, stabilisation and treatment cost paid in case of an accident or an emergency (heart attack or stroke) that requires immediate medical treatment.

Accident and emergency cover includes emergency transportation, stabilisation and treatment cost, as well as the cost of diagnostic scans (like MRI and CT scans), take-home medication, internal and external prosthetics, orthotics and assistive devices, rehabilitation services (like step-down services, wound care, physiotherapy and occupational therapy), subject to both clinical approval and the respective per event limits.

A maximum of R2 500 000 is payable per member per year.

HOSPITAL CASH & MATERNITY LUMP SUM BENEFIT

BENEFITS

Hospital Cash & Maternity Lump sum

SERVICES

- R500 per day in hospital, paid from day 1, provided that hospitalisation is longer than 48 hours.
- Maximum of 40 days payable per member per year.
- R10 000 maternity lump sum benefit payable to a member if hospitalisation results in childbirth (live birth), irrespective of number of days member has been hospitalised.
- A total maximum of R20 000 per member per year is payable for the hospital cash and maternity lump sum benefit.

EMPLOYEE ASSISTANCE PROGRAMME

DIGITAL & PHYSICAL CARD

Upon activation of your membership you'll gain access to healthcare at your fingertips through the **Momentum** app:

- Personal member and healthcare benefit information
- Digital membership card, which can be used to show proof of membership
- Search function to find the nearest healthcare provider
- Hello Doctor consultation services
- Wellness experts via the EAP and coaching services, as well as world class content through coach in your pocket

Hello Doctor

FREE

Members get free access to Hello Doctor, a mobile-phone based service that gives them 24/7 access to doctors – it's like having a doctor on call in their pocket wherever they go. Members also have unlimited access to online health information via Hello Doctor.

Hello Doctor consultations are unlimited and can either be chat, phone call or video call (virtual) consultations, at no cost to the member.

Hello Doctor seamlessly connects patients with medical care through AI-powered triage. This revolutionary service reduces member waiting times to minutes and begins with a symptom checker that takes just 90 seconds to complete. Members are then instantly directed to appropriate care pathways – from automated self-care advice for minor conditions to immediate video consultations with health care professionals for more serious concerns.

Members have access to a doctor, 24/7

Hello Doctor scripting

Hello Doctor consultations included unlimited scripting of Schedule 1 to Schedule 4, formulary based medication where required. The script is sent directly to the members nearest Dischem, Clicks or Medirite pharmacy of choice for collection of medication.

Hello Doctor Consultations also include referrals for pathology and radiology, according to the applicable Health4Me pathology list or Health4Me radiology list.

How to contact Hello Doctor

Or

Download the Momentum app from Google play, the App Store or App Gallery

FREQUENTLY ASKED QUESTIONS (FAQ)

- **How should I register for the chronic benefit?**

You will need to visit a Network GP. If your GP diagnoses one of the 27 chronic conditions, they will need to call us on 0860 10 29 03 to register you for the chronic benefit. They can do this by completing the chronic benefit application form and emailing it to health4mechronic@momentum.co.za. We will review the request from your GP and we will tell your GP if we need more information, such as blood test results, before we can confirm your benefit. If we approve the benefit, your GP will give you a prescription for your chronic medication, according to an approved list of chronic medicines.

- **Where can I get my chronic medication from?**

You need to email your prescription to Medipost Pharmacy and then call them to let them know where they must deliver your medication every month. Email your prescription to mhealth@medipost.co.za and call Medipost Pharmacy on 012 426 4000. We can only pay for your chronic medication if we have approved it and if your GP has prescribed it from the approved list of chronic medicines. You will need to get a new script from your Network GP every six months and send it to Medipost Pharmacy.

- **How should I register for the HIV benefit?**

Your GP will need to call us on 0860 55 56 09 to register you for the HIV benefit. They can do this by completing the HIV benefit application form and emailing it to health4mehiv@momentum.co.za. We will review the request from your GP and we will tell your GP if we need more information, such as blood test results, before we can confirm your benefit. If we approve the benefit, your GP will give you a prescription for your HIV medication, according to an approved list of antiretroviral medicines.

- **Where can I get my HIV medication from?**

You need to email your prescription to Medipost Pharmacy and then call them to let them know where they must deliver your medication every month. Email your prescription to mhealth@medipost.co.za and call Medipost Pharmacy on 012 426 4000. We can only pay for your HIV medication if we have approved it and if your GP has prescribed it from the approved list of antiretroviral medicines. You will need to get a new script from your Network GP every six months and send it to Medipost Pharmacy. If you are already receiving antiretroviral medication from a state facility for your condition on a monthly basis, we suggest that you continue to get your treatment from the state facility. This means that you would not need to re-register on the state HIV benefit programme if you ever stop your benefit cover.

- **How do I access the Employee Assistance Program?**

The program provides confidential telephonic support services for you and your family. It includes counselling for personal issues, family problems, and workplace challenges, along with 24/7 access to a trauma line for emergencies such as assault or family loss. You can reach out directly to the EAP through the provided contact numbers in the guide.

FREQUENTLY ASKED QUESTIONS (FAQ)

- **Who do I contact for help with claims or coverage questions?**

For claims or general coverage questions, reach out to the Health4Me General Contact Centre via the health4me@momentum.co.za. Specific departments are also available, such as the Chronic Department and HIV Management, to handle specialised inquiries.

- **How do I submit a hospital cash and maternity lump sum benefit claim?**

To submit a hospital cash and maternity lump sum benefit or funeral benefit claim, you can go to your human resources department, who will get the hospital cash and maternity lump sum benefit or funeral benefit claim form either by downloading it from our employer web portal, by calling us on 0860 10 29 03 or by emailing us at health4me@momentum.co.za.

Once you have completed the claim form and have the documents we need as stated on the claim form, you can ask your human resources department to email the documents to us at health4meinsuranceclaims@momentum.co.za.

- **Does the Health4Me benefit cover OTC medications?**

Currently, Health4Me does not cover OTC medications. This means that you will need to purchase these products out-of-pocket if you choose to use them. Members can make use of the unlimited Hello Doctor, virtual doctor consultation that includes referral, sick note and medication script, if necessary.

- **Can I remove dependents after activation?**

Yes, you can. A written request for termination, including your full name, membership number, and the desired termination date and submit to lancetterminations@abovax.com

1. Proof of identification (e.g. a copy of your ID or passport).
2. Ensure any outstanding payments are settled prior to termination.

- **What if I lose my physical membership card?**

If you lose your card, through the Momentum App, via support. Members can request for a new physical membership card.

- **Are mental health services covered under the Lancet EHP?**

Yes, the Employee Assistance Program (EAP) offers telephonic counselling, trauma support, and managerial assistance. For extended coverage, check the specifics of your Employee Health Plan guide.

- **Can I consult a non-network provider?**

While you can consult a non-network provider, it may result in additional out-of-pocket costs. It's recommended to use network providers to avoid extra fees.

- **How do I find network providers near me?**

A full list of network providers (pathology, radiology, optometry, etc.) will be shared, or you can access it online through the Momentum Health4Me portal.

- **Is there a limit to virtual doctor consultations?**

Virtual doctor consultations are unlimited under the Day-to-day benefit and include sick notes, referrals, and prescriptions if needed.
