Ambledown is an Authorised Financial Services Provider, No. 10287

Guardrisk Insurance Company Limited,
a licensed non-life Insurer and an authorised financial services provider (No.75)

"THIS IS NOT A MEDICAL SCHEME AND THE COVER IS NOT THE SAME AS THAT OF A MEDICAL SCHEME. THIS POLICY IS NOT A SUBSTITUTE FOR MEDICAL SCHEME MEMBERSHIP. THE MASTER POLICY ISSUED IS THE SOURCE OF ALL BENEFITS, RIGHTS, AND OBLIGATIONS AND EXCLUSIONS. TO DETERMINE YOUR INDIVIDUAL NEEDS, WE SUGGEST THAT YOU CONTACT YOUR BROKER AND REQUEST ADVICE FROM HIM / HER."

Where your Medical Scheme ends, **Gap Supreme begins**

Medical Schemes have revolutionised health. They give ordinary people access to advanced life-saving medical procedures that are too costly for most people. Indeed, medical technology and procedures are advancing ever faster, becoming more complicated and more expensive. Medical Schemes and members simply can't keep up.

This expanding gap between medical scheme coverage and the actual fees charged by private healthcare providers has created a financial shortfall with devastating consequences. You, the Medical Scheme member, are liable to pay the outstanding amounts.

That is where Ambledown Gap Supreme steps in. When the Specialists you need charge more than the rates your Medical Scheme pays, our products cover the shortfall, so you do not have to. Simply put, Ambledown Gap Supreme covers the gap.

2026 Product Range

The health of your family is in caring hands.

Ambledown cares about more than just your medical bills (although, we REALLY care about that). We love what we do. We get excited about every claim we pay because it represents a family that we have helped through a tough situation.

The Ambledown team investigates and identifies shortfalls in Medical Scheme cover to help you mitigate the financial risks that come with life's health risks. That is why we have built the Ambledown Gap Cover Series.

This Insurance Product is designed to protect you and your immediate family from the shortfall (Gap) resulting from any medical practitioner charging above the Medical Aid Tariff for in-hospital surgical procedures and for certain out of hospital procedures.

Ambletdown Gap Supreme has the perfect combination of benefits for your individual needs.

A Co-payment is an upfront payment charged by the Medical Scheme for specific procedures payable to the Medical Services Provider prior to undergoing the procedure. The co-payment or deductible amounts applied are as per the rules of the patient's registered Medical Scheme.

Penalty Co-Payment

The benefit includes a once-off payment per family, per year for the penalty imposed by a Medical Scheme for the use of a non-network hospital. The benefit is limited to R15,000.

All Gap Cover Benefits above are limited to **R219,845** per insured person per year or any higher amount which may be published by the Regulator during the year.

More about Sub-limits

Sub-limits are limits set by the Medical Scheme on Medical Scheme benefits. In certain instances, these limits can be set per procedure type in an effort to manage exposure.

Heal with groundbreaking **oncology treatments** that prioritise your recovery

Underwriting matters which are of importance

- Please note that this product will assist with the medical expense short-falls for in-hospital expenses and does not provide cover for day-to-day expenses once your Medical Savings Account has been depleted, nor will it cover your expense if you are in the self-payment gap.
- The minimum entry age for the Principal insured person is 18 and the maximum entry age is 65. Applicants 66 and older have the option of selecting products for seniors.
- Extended Family Dependants: (parents, parents-in-law, adult children, etc.) A family is defined as the principal insured and immediate family, which includes the spouse and children. Extended family dependants are not considered as part of the family.
- An eligible child is a person who has not reached the age of 21, and this age may be extended to 25 (under 26) in respect of a child who is unmarried and a dependant on the Principal Insured Person's or Spouse's Medical Aid Scheme.
 - Biological, adopted, fostered, and stepchildren are eligible dependants if they are under 21 years of age, or they are under 26 years of age and who is unmarried and a dependant on the Principal Insured Persons' Medical Aid Scheme.
 - There is no age limit for mentally or physically handicapped children who are wholly dependent on the Principal Insured and such child is covered by a registered Medical Aid Scheme.
 - There is no limit to the amount of children covered by the policy.
- Continuation: Any individual may apply to continue cover if that individual was a member of a group policy and terminates his employment. Ambledown has the right to alter the premium rates to individual rates or adjust the premium for the additional costs of the debit order and other administrative tasks. Terms and conditions shall apply according to the new contract issued.
- No benefit shall be payable for the severe illness benefit if the Insured Person was diagnosed with Cancer (as defined) prior to the inception of this Policy.
- Insurance benefits detailed in this document are subject to a cell captive relationship between Guardrisk Insurance Company Limited (Cell Insurer) and Vida Product Services (Pty) Ltd (Cell Owner), as a result of a shareholder and subscription agreement concluded between the Cell Insurer and the Cell Owner, whereby the Cell Owner is entitled to share in the profits and losses generated by the insurance business. Ambledown operates as an Underwriting Manager Agency (UMA) operating on behalf of the Cell Insurer and Cell Owner. Therefore, this is an arrangement whereby Guardrisk shares equity with the Cell Owner through a shareholding arrangement and provides the Cell Owner a vehicle through which to write the Cell Owner's insurance risk.
- This is not a Medical Scheme and the cover is not the same as that of a Medical Scheme. This policy is not a substitute for Medical Scheme membership.

Waiting Periods

- Ambledown will apply the 3 month general waiting period condition to all applications for new membership.
- The only time we would not apply the 3 month general waiting period is:
 - Claims qualifying as an accident in terms of the policy definition, or
 - If the client changes gap cover policies with similar benefits offered by different product providers with the same insurer (GICL).
- A 12 month pre-existing clause applies. The clause excludes claims for any treatment received for a condition for which treatment or advice has been received in the 12 months prior to the inception of the policy. The intention is to exclude any benefit where treatment or advice was received 12 months prior to inception. Once membership is greater than 12 months, then benefits are payable regardless of the date in which the illness manifested itself or the injury occurred.
- Benefit upgrades: A 3 month general waiting period and 12 month pre-existing clause will apply to the additional benefits obtained when a member upgrades cover. The existing benefits enjoyed prior to the upgrade will not be subjected to the waiting periods mentioned.
